ABOUT OUR COMPANY

Afriline Civils, established in 2008, is a proudly South African Civil Engineering Construction Company that stands as a symbol of excellence and commitment in the construction industry.

With a rich history, we have continuously excelled in contracting and project management services, becoming a trusted partner in the South African Civil Engineering construction industry.

Our dedicated management team, boasting extensive experience and knowledge, ensures the effective execution of all projects. We take pride in our ability to provide a friendly, personalised service while fostering strong client relationships. Over the years we have proudly completed 100+ successful projects.

Our portfolio includes projects for major employers such as Anglo American, Vedanta Zinc International, the City of Cape Town, Overberg District Municipality and many others.

With a legacy of excellence, Afriline Civils continues to help shape the future of the construction industry in South Africa delivering quality, innovation, and success to every project we undertake.

WHY

CHOOSE US

PROVEN TRACK RECORD:

Afriline Civils boasts a rich history spanning 18 years, during which they have successfully completed over 100 projects. This track record demonstrates our reliability and capability in delivering successful outcomes.

COMMITMENT TO QUALITY, PUNCTUALITY, AND SAFETY:

Afriline Civils motto, "QUALITY, ON TIME, SAFELY," highlights our unwavering commitment to delivering high-quality work, adhering to project timelines and maintaining rigorous safety standards.

CLIENTELE:

Afriline Civils has worked with major clients such as Anglo American, Vedanta Zinc International, the City of Cape Town, and Overberg District Municipality. These partnerships with reputable organisations indicate a high level of trust and satisfaction between the parties.

PARTNERSHIPS:

Afriline Civils has proficiency in carrying out EPC (Engineering, Procurement and Construction) and EPCM (Engineering, Procurement, Construction Management) contracts. Previous collaborations with both Zutari and BVI in the form of EPC contracts demonstrate significant success.

IN-HOUSE RESOURCES:

Afriline Civils has the ability to tackle projects of varying complexities which is enhanced by having multi-skilled employees and a substantial fleet of construction equipment and plant. This leads to greater self-sufficiency, contributing to streamlined project management.

OUR SERVICES

WHERE INNOVATION MEETS CONSTRUCTION

PUBLIC SECTOR:

We also specialise in serving the public sector, offering tailored solutions to meet the unique needs of each client. With a proven track record of excellence and a deep commitment to quality, we are dedicated to delivering results that benefit both client and community and drives progress in the public sector.

MINING SECTOR:

We proudly serve the mining sector with our specialised expertise, with a strong focus on upgrading of existing mining infrastructure, new mining infrastructure, dewatering systems and other critical components. We are committed to supporting and enhancing mining operations taking production activities into consideration.

PRIVATE SECTOR:

We serve the private sector by providing customized solutions to address the unique needs of each client. With a demonstrated history of excellence and a strong commitment to quality and safety. We are devoted to delivering results that benefit both clients and communities while driving progress in the development sector.

OUR SKILLS DEVELOPMENT

EMPOWERING EXCELLENCE THROUGH SKILLS DEVELOPMENT

At Afriline Civils, we understand that our success is closely tied to the skills and expertise of our team. As a forward-thinking company, we are committed to continuous skills development and nurturing talent within our organisation.

BUILDING FUTURE LEADERS

We are dedicated to fostering leadership within our organisation. Our leadership development initiatives aim to identify and nurture emerging leaders, equipping them with the skills and knowledge needed to drive our company's future growth and success.

SAFETY TRAINING

Safety is a top priority at Afriline Civils. Our comprehensive safety training programs ensure that every member of our team is well-prepared and equipped to work safely on every project, protecting themselves and their colleagues.

AFRILINE CIVILS PLANT AND MACHINERY

IN-HOUSE PLANT AND MACHINERY AVAILABLE

Afriline Civils offers a comprehensive selection of in-house plant and machinery available for hire, providing efficient solutions for various construction and earth moving needs.

Our fleet includes water trucks for effective water distribution and road construction, TLBs (Tractor Loader Backhoes) for versatile digging and loading operations, excavators for precision excavation work, and crane trucks for heavy lifting tasks. Our TLB's and Excavators are equipped with hydraulic hammers.

These robust tools are designed to break through hard materials like rock or concrete efficiently. With a commitment to reliability and performance, Afriline Civils ensures that our well-maintained equipment is ready to meet the demands of construction and earth moving projects, offering a seamless and professional hiring experience for our clients.

HEALTH & SAFETY

SAFETY, HEALTH AND ENVIRONMENTAL RESPONSIBILITIES

Safety, Health & Environmental responsibilities are integrated in the way Afriline Civils carries out our day-to-day business. We are committed to continual improvement in our performance and the efficient use of natural resources and aspire to a NO HARM COMMITMENT to people and the environment.

SHE POLICY

Afriline Civils prioritizes Safety, Health, and the Environment, striving for excellence, resource efficiency, and a commitment to zero harm.

ENVIRONMENTAL POLICY

Afriline Civils is dedicated to protecting the environment in all its operations, promoting sustainability in its practices and community projects.
